#### Junior Member Riding Policy (#99-01) [Revised 2020]

1. Junior member's ages 14 to 16 shall ride the last responding apparatus ONLY on all alarms.  
Exception: MVC Junior Members shall respond on the next engine ONLY.

- During that period the Junior Member should be taking various training courses at the DSFS. Basic skills, structure, vehicle rescue, etc.
- Junior Members shall respond to the fire station WITHOUT ANY WARNING LIGHTS, AND FOLLOWING ALL TRAFFIC LAWS.

2. When the junior member reaches the age of 17 he/she shall be allowed to ride the first run engine with written approval from the Fire Chief. The junior member will still ride the engine on MVC's and not the rescue. The written approval shall be placed in the member's personnel file.

Note: The Junior Member shall have one (1) year experience in the Carlisle Fire Company and shall have successfully completed the following DSFS courses:

Basic skills  
Structural Firefighting
