Release of Liability of used equipment [2021]

Release of Liability Consent (For used equipment)

_____ (Recipient) holds the Carlisle Fire Company INC. harmless for the desired use of the personal owned equipment described below. It is understood that the Recipient is not utilizing the provided equipment issued by the Carlisle Fire Company INC. by preference.

This equipment has been provided by the Recipient with the full understanding that it is being utilized "AS IS, WHERE IS", and approved use by Fire Chief as personal equipment.

The Recipient also acknowledges that the Carlisle Fire Company INC. is not or does not claim to be the provider or merchant of said equipment, and that the Recipient is relying on no representations or warranties made by the Carlisle Fire Company INC. in its decision to take title to, replacement or liability of said equipment. Said equipment is being utilized by the Recipient WITHOUT any warranties, EXPRESS OR IMPLIED, ANY WARRANTY OF MERCHANTABILITY, OR ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.

Recipient understands that the Carlisle Fire Company INC. will have limited control over the use of said equipment while in the possession of the Recipient, only deeming any of the said equipment unusable due to safety concerns or destroyed and will not be allowed for use in service.

The Recipient agrees to indemnify the Carlisle Fire Company INC. for any loss and/or damage to person and/or property that may arise from the use of said equipment, by the Recipient.

The Carlisle Fire Company INC. will not be held responsible or liable in ANY case for damages and/or injury that may result or incurred to result from the misuse of said equipment. The Recipient agrees that it shall be solely responsible in complying with all OSHA standards, NFPA standards or any other standards that may exist, if any exist, on the use of such equipment and further acknowledge that the Carlisle Fire Company INC. makes no warranties or representations as to whether said equipment meets, or may in the future meet such standards as may be applicable.
