

**CHESTER COUNTY EMS COUNCIL INC.
RECOMMENDATION FOR CONSIDERATION**

Board Meeting Date: 12/12/2012

Subject: EMS System within Chester County

VTR#: 12-8

Committee/Task Force: CCEMS Operations Committee

Recommended Goal Recommended Policy Change Other:

Recommendation/Motion: Recommendation that any service who has a permanent location within Chester County and primary coverage within Chester County shall be dispatched by and operate on the Chester County radio system for calls within this coverage area.

Rationale [Background]: Any service that is stationed and operating within Chester County should utilize the same radio system as all of the other units within the county. This should help prevent confusion when these units operate together within the county. In addition it should minimize any potential delays that could come from having to transferred 911 incidents to other counties for dispatch.

Medical Review [Concerns]: None

Fiscal Concerns: None

Educational Concerns: None

Plan of Implementation: As soon as possible.
