

# Christiana Fire Company

## Vision

*To have Christiana Fire Company viewed by our colleagues and the community we serve as a leader and innovator in providing fire suppression, rescue, emergency medical services and public safety education.*

## Mission

*We will provide the highest levels of quality fire suppression, rescue, emergency medical services and public safety education that exceed the expectations of our community. Our priority is the preservation of life and protection of property. We will treat our Members, our Employees and our Community with dignity, compassion, respect and discretion at all times.*
