## Standard Operating Guideline – 04-01 Dress Code

**Purpose:** To establish a dress code for planned events such as go-kart track stand-bys, fire prevention activities, or other related events that personnel represent the fire company.

**Scope:** All fire department personnel.

1. All members will dress professionally for the type of activity attended. Members are asked to wear clean/presentable pants/shorts and when available, and weather permitting, fire department issued t-shirt/sweatshirt. Shoes should be presentable and also suitable for the planned activity. These items of clothing are prohibited
  - A. Articles of clothing containing vulgar images or language
  - B. Mini-skirts or short shorts
  - C. Midriff, low cut neckline, or tank top type shirts
  - D. Low rise pants or clothing.
  - E. Torn/tattered or unwashed clothing.
  
2. This standard is designed only for planned activities. No member can be held to the standard if they responded at the time of alarm.
