**P.O. Box 327  
311 Main St.  
Little Creek, DE 19961**

## **Standard Operating Guideline – 11-01 Use of Snow Plow**

**Purpose:** To define the acceptable use of the snow plow mounted on 54-8

**Scope:** All fire department personnel.

1. The Snow Plow can only be operated by an authorized snow plow operator. Being qualified on 54-8 does not mean you can automatically use the plow.
  - A. Plow Operators will be indicated on the Driver's List
2. While the Plow is mounted on 54-8. It is unavailable to be used for any non-emergency uses. Non-emergency uses as defined are:
  - A. Running Errands
  - B. Fire School
  - C. Attending Meetings
  - D. Any other use that isn't responding to an incident
3. The plow shouldn't be deployed until snow fall reaches 2 inches.
4. The Snow Plow can be used to clear all Fire Department Property and any of the Town Of Little Creek Streets.
5. The Snow Plow is not to be used to clear any private property. Unless at the time of alarm or discretion of an officer.
