Standard Operating Guideline – 13-01 Utility Vehicles

Purpose: This Guideline is to establish the proper operation and use of the utility vehicles.

Scope: All fire department personnel.

1. Utility Vehicles are defined as 54-8, 9, 10
2. No one is to drive a utility vehicle with out the permission of an officer. This means before you drive a vehicle you must contact the officer.
3. Emergency Responses have priority.
4. Utility vehicles are to be used only for official Fire Department activities approved by the President or Fire Chief.
5. The utility vehicles will be used in the following order, unless there is an operational reason that dictates differently:
 - A. Van 54-10
 - B. Pick-up 54-8
 - C. Pick-up 54-9
6. If out in a utility vehicle and an incident is dispatched you are not to respond to the scene unless directed by the Chief or OIC of the incident. You should automatically return to the Station.
7. Use of a utility vehicle is a privilege and any abuse will result in driving privileges revoked.
