

Mission Statement

To improve the quality of life of the residents and visitors within the Mill Creek Fire District and mutual-aid districts by providing protection of life and property threatened by medical emergencies, fires, accidents and severe weather conditions. Our services of fire suppression, rescue, pre-hospital basic life support, ambulance transport and fire safety education will be pursued with determination and resolve and deployed in an innovative and cost-effective manner.

Our quality of service will be achieved and maintained by strict adherence to the values and principles of:

Honesty

Respect

Commitment

Team Work

Education

Efficiency

and

Safety

Who We Are

We are people like you. We are members of your community who have chosen to give time and energy towards protecting and serving our neighbors.

We are Mill Creek Fire Company:

- ◆ Over 300 volunteers
- ◆ Career EMTs/firefighters
- ◆ Ladies auxiliary
- ◆ 17 square miles
- ◆ Two fire stations
- ◆ Two ladder trucks and three pumpers
- ◆ Three ambulances
- ◆ Specialized equipment

Training at Delaware State Fire School

We respond to an average of 1,100 fire emergencies and over 3,000 medical emergencies per year. To meet this demand, we must maintain a large and active volunteer population.

You can help.

What You Can Do

Mill Creek Fire Company offers four service categories for volunteers:

- ◆ Fire Service
- ◆ EMS Service
- ◆ Administration
- ◆ Ladies Auxiliary

Whether you are interested in fighting fires, running the ambulance, or simply lending a hand or serving on a committee, Mill Creek can use your help.

EMTs in Action

All volunteers are appreciated for their unique skills, abilities, and time commitment.

Volunteers are encouraged to participate in public relations. PR events include fire safety talks, station tours, a mobile fire safety education house, and Santa Claus runs during the winter holiday season.
